

## **Vacancies at Forest Neighbourhood Council in Horsham**

Are you interested in what is happening in your area of Horsham and live east of Horsham railway line and south of Redkiln Way and want to make a difference? If so, Forest Neighbourhood Council currently has vacancies for Councillors.

The background to Neighbourhood Councils is that they were formed in 1976 after the establishment of Horsham District Council in 1974. During this local government restructuring, a large part of the former urban area in Horsham was left “unparished” and so three Neighbourhood Councils were formed – not as statutory bodies or with political alliances but to represent the views of residents and to raise local issues and concerns to statutory authorities and other community bodies.

Forest Neighbourhood Council Meetings take place on the third Monday evening of each month in the Salvation Army Hall, 7.30 p.m. onwards and are regularly attended by representatives of Horsham District Council and West Sussex County Council as well as members of the public. If you are interested in becoming a Councillor, in a voluntary capacity, further detailed information is available on this website or we can be contacted by e mail, [fnchorsham@sky.com](mailto:fnchorsham@sky.com)
